Consultations

Appointments are available 5 mornings and 4 evenings a week. Appointments may be made up to three days in advance. (Subject to change).

Appointments are triaged and a face appointment is offered to patients by a clinician if they feel it is necessary.

Same day appointments are offered by the Nurse Prescriber. The practice nurses are available for Smoking cessation, Contraception, Smears, Vaccinations, Yellow Fever and other health promotions.

Antenatal clinic

Midwife holds al clinic on Wednesdays at the surgery

Between 9.30am – 12.00pm

Chronic Diseases Management

Regular checks for Asthma/COPD, Diabetes, Coronary heart disease, Epilepsy and hypertension are carried out systematically and on adhoc basis, by the practice nurses and DR.

Prescriptions

Repeat prescriptions are available every 4 weeks or 8 weeks according to your agreement with Doctor.

Repeat prescriptions can be ordered by phoning the surgery (This is subject to change according to Government/ COVID updates)

For repeat prescriptions please allow 48hrs notice

You must let the receptionist know if you have been in hospital and your medication has changed otherwise you are at risk of getting the wrong medication. This is due to delays in hospital communication for various reasons. Repeat prescriptions are reviewed every six months and you may be asked to attend for blood tests or to see the doctor.

Occasional medications e.g. painkiller, hay fever tablets require a written request and 48 hours notice.

Contraception, HRT and any medication you have not had in the last six months will not be issued without a consultation. This is for your safety.

Telephone Advice

The GP is available for telephone advice during surgery opening times and if busy may have to ring you back.

To register as a patient

To register at the surgery you can do this via our website : www.aylesburysurgery.nhs.uk and fill a new registration application form. Only fully completed forms will be given priority due to high demand for registration as it makes it easier to process the application.

PLEASE NOTE THIS PRACTICE OPERATES A ZERO TOLERANCE POLICY TO ANY ABUSE OR THREATENING BEHAVIOUR.

It is patients responsibility to abide by the practice rules which are displayed in the waiting room

Your Preference of Practitioner

Patients or anyone authorised on behalf of a patient has the right to express their preference to be seen by their preferred Practitioner. The Practice will make a reasonable attempt to meet your preference based on availability of the practitioners.

Home Visits

Home visits requests must be made in the morning as soon as possible. It is the Doctors decision based on the clinical need whether someone requires a visit or not. In cases of emergency e.g. Chest pains, overdoses or collapse please phone for an ambulance, if you are unable to do so, one will be called for you.

Disabled Access

We are DDA compliant.

Training Practice

We are a training practice for Training Doctors and Nurse Prescribers.

Antibiotic Campaign

We are actively involved in reducing our antibiotic prescribing. We follow the CCG Guidelines and NICE Guidelines.

Results of blood tests and investigations

- If you have been referred to a hospital for any reason and have not received an acknowledgement from the hospital within 4 weeks please let the surgery know.
- Please allow 48 hrs for response to messages or medication orders placed
- The practice is registered under the Data Protection Act.
- For the sake of confidentiality results are only given to patients themselves and in certain cases you may be asked for consultation to have the results explained.

Access to medical records

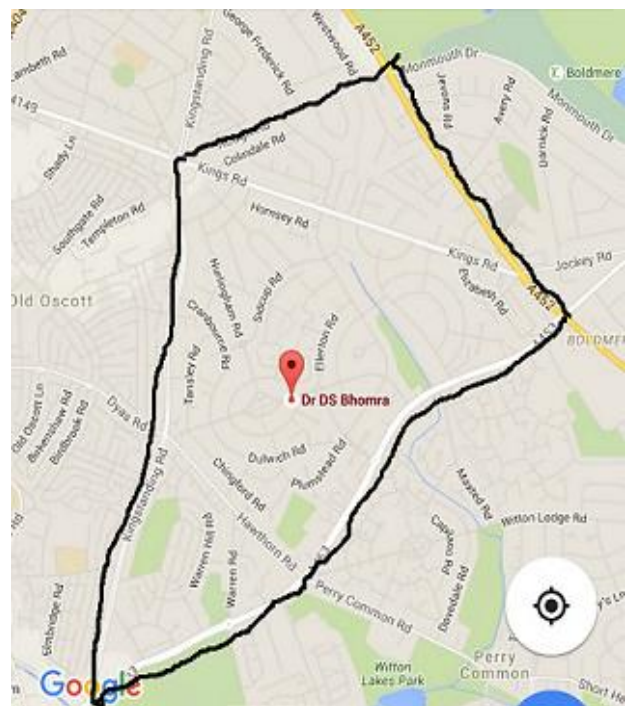

Your medical records will be made available to other clinical and healthcare professionals for the purpose of managing your treatment and health. You have a right to withhold consent for such access for management and related purpose. Please inform the Surgery in writing if you do not wish your records to be viewed for the purpose other than direct clinical treatment.

The practice is registered and complies with the Data Protection Act 1998. Any request for access to notes by a patient, patient's representative or outside body will be dealt with in accordance with the Act. Please contact the Practice Manager for further information.

Patient Rights and Responsibilities

Patients or anyone authorised on behalf of a patient has the right to express their preference to be seen by their preferred Practitioner. The Practice will make a reasonable attempt to meet your preference based on availability of the practitioners.

We aim to provide patients with the best clinical care and support in a friendly environment. We can help you best if you help us.

Catchment Area

Your rights are:

- To be registered with a family doctor.
- To change your doctor easily and quickly.
- To be offered a health check.
- To receive emergency care at any time through the doctor.
- To have appropriate drugs and medicines prescribed.
- To be referred to a consultant acceptable to you when the doctor thinks it necessary and to be referred for a second opinion if you and the doctor agree this is desirable.
- To have access to your health records, subject to any limitations in law.
- To know that those working for the NHS are under a legal duty to keep the contents of your records confidential.

Your responsibilities are:

- To ask the doctor or nurse about anything that you don't understand.
- To treat staff politely and courteously, as you would wish to be treated yourself.
- To tell the surgery and other medical providers / hospitals straight away if you change your name, address or telephone number. It helps us to keep our records up to date and to contact you when necessary.
- To understand that the results of tests are only given by the doctor or nurse to the person who had the test or, for children, to the parent or guardian.
- To ask for out of surgery calls only in a real emergency.
- To keep your appointments at all times or cancel them in good time so that we can offer them to other patients
